0°C PLUG & PLAY COLD PLUNGE

ICEFALL

A premium plug-and-play cold plunge for serious cold water therapy, precise temperatures and clean water without bags of ice.

OZONE STERILISATION

STAINLESS STEEL

500W POWER

0°C to 15°C

- True 0°C capability with 0-15°C control
- Touchscreen controls and plug-and-play installation
- Ozone sterilisation, high efficiency filtration and circulation
- Stainless steel body, quiet operation and adjustable support feet

Real Ice. Real Recovery.

The Icefall Ice Bath is your personal chill zone for faster recovery, reduced muscle soreness, and everyday wellbeing.

Easy Touch Control

Built for cold therapy with quick, precise temperature adjustment from 0°C to 15°C using a waterproof touchscreen.

Smart Precooling

Set your preferred time and the bath pre-cools in advance — perfect for post-workout, after a run, or before bed.

Plug & Play

No tools, no plumbing — just fill it up, plug it in and let it chill. Efficient operation designed around 500W use.

Water Hygiene Built In

Self-cleaning circulation combines ozone and high-performance filtration to keep water fresh, clear, and hygienic.
